

2018 Flamingo Flocking Order Form

With your generous **donation of at least \$25.00** to the St. James EYC Fundraiser, a surprise flock of bright pink flamingos will appear at the property of your choosing in the Baton Rouge metro area — that is, unless your chosen flockee has purchased a policy of protection with a St. James Flamingo Insurance Policy! (see below)

The flamingos will roost with your flockee for a brief period of time, and be identified as St. James EYC flamingos. This notice will identify you as the originator of their flock, unless you request to remain anonymous! **You can pay for flocking or insurance online, here.**
