Community Resources LIST

Updated and provided by Nancy Jo Poirrier, for disaster preparedness.

The Home Services List was initially created in 2005 after Hurricane Katrina, by St. James parishioner and volunteer, Nancy Jo Poirrier. This list is not intended to promote any particular business or service. It is created to help us all select from a recommended list. There are no guarantees on services by providing this list.

Please review and update by recommending any additions or subtractions of categories or specific persons or businesses to npstudio@bellsouth.net. When providing recommendations, please include name of service, name of person/company and the contact info for them, as well as your own name and contact information.
